Additional Information:

Diploma program students needing financial assistance are eligible for federal financial aid and may be eligible for private educational loans. Private loans are available from various lending institutions (e.g. banks, credit unions, etc.). The university is prohibited by federal law from recommending any particular private loans to diploma program students, but we encourage you to shop competitively before choosing a particular private loan to help meet educational expenses. The interest rates on these loans vary, as do other terms and conditions. Also, most private lenders require loan certification from the school in order to verify
